6:38 PM **BushwickBK.com:** ok

6:39 PM Sorry, but you are looking for something that isn't here.

me: hold on
fuck it, nevermind

6:40 PM it's a video of flushing and broadway shooting where everybody runs into a
bodega
BushwickBK.com: ah
an old one?
recent?
me: recent
BushwickBK.com: I have a couple reporters that can run out and write up stupid
news stories on shit liek that

6:41 PM so when you hear about anything remotely newsworthy just let m eknow
me: right, but it's an amusing video
you must inform the people
BushwickBK.com: yah I get it, just letting you know

6:42 PM **me:** anyway, it's not important

22 minutes

7:04 PM **me:** hey, take out the line about the New York Times and elegance and whatnot,
please, it sucks

7:06 PM **BushwickBK.com:** the whole sentence?

24 minutes

7:30 PM **me:** yes please

7:31 PM or, rather, the clause
after the semi-colon
BushwickBK.com: ah
done
me: thanks

7:32 PM I occasionally write ridiculous things that reveal how ridiculous I am and these must be stamped out
BushwickBK.com: haha
I have a whole bunch of shit I wrote when I was oh...19-20
that i have had liquidated as well

7:33 PM **me:** yeah, me too
BushwickBK.com: frightening shit
me: we're lucky to have grown up before the internet was everpresent
BushwickBK.com: once someone had to talk me out of publishing something in praise of Tim McVeigh
me: or that stuff would be online as is the case with today's 16 year olds
BushwickBK.com: it was online stuff
but I'm lucky the publisher is cool

7:34 PM and more importantly, that my boss is his webmaster
remnants of it are still online here and there
in quotes and shit
but the originals got zykloned

7:35 PM other things were on my own blog, which i finally deleted this year
I was a bit famous for my outspoken hatred of The Troops

7:36 PM and now that my predictions that the troops would come home crazed and
murderous and drug addicted and desperate
have come true, I fear for my life
plus it's bad if you want to make money in print

6 minutes

7:43 PM **me:** hey
add this in
<http://www.youtube.com/watch?v=7IN80CXTRto>

7:44 PM it's important, everyone must know
IT IS OUR DUTY

7:45 PM **BushwickBK.com:** ok ok that's it

7:46 PM **me:** thanks man
I appreciate your time and effort
BushwickBK.com: yeah so let me know when some concrete shit is happening
and we should do a serious write-up of your PAC

7:47 PM if you get something going
me: will do
in a couple weeks

7:48 PM **BushwickBK.com:** yeah we'll need some drug dealers and shit for quotes proly
